

REMARKS

This is in response to the Office Action mailed March 25, 2005. Claims 19-42 are pending. A Request for One Month Extension of Time (with fee) is filed concurrently.

Applicant wishes to thank Examiner Speer for the many courtesies extended to Applicant's representatives G. Farmer and J. Schneider during an interview on 29 June 2005. As agreed during the interview, the references in various claims to thickness of layers find support *inter alia* at page 2 of the specification.

Applicant has, as agreed, amended the claims to recite 5 Angstroms rather than 6 Angstroms in each of claims 30, 32, 33 and 35. In addition, Applicant has presented new dependent claims 36-42 which find support in original claims 2, 3, 4, 9 and 15-17 respectively.

Based on the foregoing, reconsideration and allowance are solicited. Should the Examiner be of the opinion that an interview will expedite the prosecution of the present application, the Examiner is encouraged and requested to contact Applicants' attorney at the telephone number given below.

Respectfully submitted,
